REMARKS

Claim 12 has been amended herein to correct a typographical error in the form of an extraneous dash appearing after the phrase "a second content analysis." This typographical error was identified during the appeal of the application. (See page 20 of the Brief on Appeal filed on November 5, 2010.) The amendment of claim 12 is for clarity and does not change the scope of the claim. Accordingly, entry of this amendment is respectfully requested.

If the Examiner is of the opinion that a telephone conference would expedite the prosecution of this case, the Examiner is invited to contact the undersigned at the number identified below.

The Commissioner is hereby authorized to charge any deficiency or any additional fees which may be required during the pendency of this application under 37 C.F.R. 1.16 or 1.17 or under other applicable rules (except payment of issue fees) to Deposit Account No. 50-2455.

Respectfully submitted,
